No Internet? Feeling Stir Crazy? Office Affected by Floods? Come to the Impact HUB

All three locations offering free workspace to anyone affected by the natural disasters who need a quiet place to work with fast internet, hot beverages, a place to charge devices, etc.

The Impact HUB Santa Barbara is a shared office and co-working space that provides entrepreneurs with networks, programming and community they need to thrive. With these deadly floods affecting local places of business, we want the Impact Hub Santa Barbara to be a safe place to help rebuild our community and allow business to get back on their feet.

“One of The Impact Hub’s core values is collaboration, supporting the community and working together in times of need,” said Impact Hub co-founder Diana Pereira. “We are stronger together. If you need a place to work, a warm beverage, some wifi and a friendly face - come join us at any of our three locations.”
